## Hole in One Competition Terms & Conditions

Event Partners

### 1. Promoter

The Hole-in-One Competition is conducted by Maddie Riewoldt's Vision as part of its golf event Driving for a Cure. Participation in the Competition constitutes acceptance of these Terms and Conditions.

### 2. Eligibility

The Competition is open only to registered participants who are classified as Amateur Golfers in accordance with the applicable Rules of Amateur Status. Club Professionals, Touring Professionals and former or inactive professional golfers who have not been formally reinstated or accepted as amateurs by the relevant governing body are ineligible to win or claim the Hole-in-One prize. All registered participants in the Event, who are classified as amateur golfers must:

- have completed the required Event registration;
- comply with the rules of the Event and the golf course; and
- not otherwise be excluded by the Promoter or any applicable prize insurer or prize provider.

### 3. Competition Hole

The Competition will take place on the hole nominated by the Promoter as the official Hole-in-One Competition Hole (Hole #16 North Course). The tee position and minimum distance of Hole #16 North Course will be determined by the Promoter and/or prize insurer and must not be altered during the Competition unless authorised by the Promoter. The Competition Hole (Hole #16 North Course) must measure no less than 155 metres for Men and 140 metres for Women, measured from the designated tee markers to the flagstick.

### 4. How to Enter

Eligible players automatically participate when making their designated tee shot on Hole #16 North Course during their official round, unless otherwise advised by the Promoter. Players must participate as part of an Event group comprising at least three players. No additional fee is required to participate unless expressly stated by the Promoter before the Event. Each participant is permitted one shot only on the Competition Hole, Hole #16 North Course, at the insured distance.

No additional shots of any kind may be taken by the same participant from the same distance on Hole #16 on the day of the Event. This includes practice shots, provisional shots, mulligans, repeat shots and any additional competition or promotional shots.

Only one regulation-size cup may be used on the Competition Hole green. The green must not be specially prepared or altered from its condition for normal play, and the cup must not be positioned in a collection area, bowled section or other location selected to facilitate a Hole-in-One.

### 5. Winning Shot

To win the hole-in-one prize, an eligible participant must hit their first official stroke from the designated teeing area on the Hole #16 North Course, and the ball must enter and remain in the hole in accordance with the Rules of Golf.

The shot must:

- be made during the participant's official Event round;
- be made from the designated tee position;
- be the participant's first eligible stroke on Hole #16 North Course;
- be completed using equipment permitted under the applicable Rules of Golf;
- comply with all Competition, Event and course rules; and
- be witnessed and verified as required under these Terms and Conditions.

A ball that is moved, placed or otherwise assisted into the hole does not constitute a winning shot.

### 6. Witnessing and Verification

All eligible attempts must be observed by two Official Witnesses appointed by the Promoter. Each Official Witness must be aged 18 years or over and must not be participating in the Event. One Official Witness will be positioned at the teeing area and the second adjacent to the green in a safe position. Any potential winning hole-in-one must be immediately reported to an Event official. The participant and members of their playing group must cooperate with all reasonable verification and claims requirements of the Promoter and prize insurer, including providing statements or affidavits, scorecards, player information and any other evidence reasonably required to verify the claim.

No prize will be awarded until the hole-in-one has been formally verified.
